

El Camino Warriors dropped a close contest to the Los Angeles City College nine last week on the Alondra diamond after a single stolen base, and two Warrior errors let the winning run score for the visitors in the ninth inning.

Four Tartars Win CIF Pins

Four Tartar trackmen are still in the running for CIF championship awards and will compete in the Central Group Championship meet in Compton next Saturday.

The four were qualified at the Central Group preliminaries held at the Inglewood High School stadium last Saturday.

Qualifying for the Class "B" 1320-yard run was Duane Mittan. He was third in his heat of the three-heat race, but clocked the fastest time for that placing and was thus among the eight to be qualified.

In Class "C" competition, three Tartars were among contestants to be qualified for Saturday's meet.

Eichi Kobayashi was second in his heat of the 120-yard low hurdles, while Tad Mimura had the fast time for a third place, both being qualified. Only seven athletes were qualified for the hurdle events because the Compton track has only seven hurdle lanes.

Final qualifying performance by a Tartar was turned in by Jack O'Carne who was among the eight vaulters to clear the bar at 10 feet 6 inches. As soon as eight men were qualified in the field events, competition was halted.

Well on the way to qualifying for the Class "B" 70-yard

high hurdles was Norman Stocks before he fell at the last hurdle. He scrambled up and finished the race, but was out of the qualifying position.

Kobayashi returned from his qualifying run over the low hurdles to attempt the Class "C" pole vault, but was unable to qualify.

Other Tartars to compete last Saturday were Gary Groves, who failed to qualify in the Class "B" high jump, and Frank Schmidt, who lost out in the Class "B" shot put.

Buddy Powers, who had qualified earlier for the prelims, missed the meet last week because of illness.

Qualifying Tartar men were competing with trackmen from all points of Southern California. Among the distant schools represented was Grossmont of

San Diego, San Bernardino, Redlands, Covina and Santa Barbara. Other schools from all over Los Angeles county were represented at the meet.

Style note of the meet was set by the team from El Monte. Clad in bright blue uniforms, the team (about a dozen strong) turned out to be composed almost entirely of short-haired (crew-cut) platinum blondes. Could be a fad.

ANOTHER WINNER . . . Coming into the finish line after a gruelling 1320-yard run is Duane Mittan, right, as he finished third in his heat at Inglewood last Saturday. He will compete again this Saturday in Compton. (Herald photo).

Gra-Y Club Tops Pee-Wee League

The Greens Gra-Y Club took the lead in the Y. M. C. A. City Recreation Pee-Wee softball league Monday by defeating the Halldale club by a score of 13 to 2.

Coached by T. H. Herrin, the Greens took an early lead when Larry Grishon hit a home run with the bases loaded. Jimmy Hayward, Greens pitcher, allowed very few safe blows.

Walt Sharon's Halldale team previously undefeated, dropped to second place in the league standing.

In a second game at Fern park, the Green IIs, coached by Van Vanderpool, dropped Hank Camou's Pueblo Pee-Wee team by a score of 14 to 10 when Gary Hakanson hit a circuit blow in the final inning.

The Green II Pueblo game was in a tie 3 different times during the game.

El Camino to Host Metro Tennis Tourney

Metropolitan League tennis teams will converge on the new Alondra Park courts Saturday for the Metropolitan Conference Tennis Tournament.

Hosted by El Camino, the winners of each seeded position will receive medals; the winning team will receive a trophy.

"We always catch 'em—we're using Mobilgas!"

22.07 MILES PER GALLON of Mobilgas* was the amazing average mileage figure set by 31 different makes and models of cars that competed in the rugged 751-mile Mobilgas Grand Canyon Run. All cars and Mobilgas and Mobiloil were certified strictly stock by the American Automobile Association. (*Drivers selected either regular or premium grade.)

FOR PERFORMANCE WITH ECONOMY, THE MOBILGAS GRAND CANYON RUN PROVED... ONE OF THESE TWO IS BEST FOR YOU:

MOBILGAS—Most cars now in service, including many 1950 models, give outstanding performance and economy on Mobilgas. If your car runs knock-free on Mobilgas, save the difference.

MOBILGAS SPECIAL—Cars with extra-high compression engines perform better on Mobilgas Special. If your car knocks on the gasoline you are now using, be money ahead... switch to Mobilgas Special (premium).
